## WHAT!! ANOTHER NEW IDEA??

THE PERMANENT BUILDING COMMITTEE MET IN EXECUTIVE SESSION MONDAY NIGHT, TO PRESENT TO THE BOARD OF SELECTMEN THEIR IDEAS AS TO WHAT A COMMUNITY CENTER COULD LOOK LIKE. ARMED WITH ARCHITECTS DRAWINGS OF HAVING A MUNICIPAL BUILDING LOCATED IN A CENTRAL AREA. THE AREA THAT WAS SUGGESTED IS THE LOCATION OF THE WALKER SCHOOL AND THE HIGHWAY DEPARTMENT GARAGES, AN AREA WHICH THE URBAN RENEWAL BOARD HAD LAST WEEK PROPOSED TO USE AS A RELOCATION SITE FOR THE HOMES WHICH WILL HAVE TO BE MOVED AS A RESULT OF LAND TAKINGS INVOLVED IN THE URBAN RENEWAL PLAN. THIS SKETCH SHOWS WHAT MAY POSSIBLY BE A TOWN HALL IN THE CENTER, FLANKED BY TWO BUILDINGS WHICH COULD POSSIBLY BE THE NEW POLICE STATION AND OR A PUBLIC LIBRARY. THIS IS JUST ONE OF MANY IDEAS!!

## Urban Renewal.

Some time ago, an urban renewal program was presented to the townsfolk at a town meeting. After some discussion from the floor, it was voted that Wilmington would engage in this program, to the extent that a master plan would be compiled and presented to the townsfolk for further consideration.

The plan offered a way to improve certain areas in town. It offered an opportunity to to reclaim and redevelop land in the form of a business center. It offered a possible solution to a messy traffic problem, and it also offered the possibility of attracting desirable businesses in town, businesses that the town does not have.

The W.H.A. has been working on the project and have come up with plans, one of which was made public last week. This plan showed a comprehensive picture of what is proposed, subject to the will of the people, and for the improvements of our town officials.

It is up to you - the voter - to decide if the town shall go along with their plans or not. The W.H.A. plans are public, and further information is available to all who are interested.

This particular program is certainly worthy of more than a casual interest. The whole town will be affected.

One thing that should be made clear is, that whatever money is spent by the taxpayer for this project, benefits that will be derived in the future can be counted in DOLLARS AND SENSE.

## Down To Earth.

Gravel pit operations take up a goodly part of our Selectmen's meetings. Hardly a week goes by, but what one problem or another concerning these operations has to be discussed.

During the tenure of our former Town Manager Joseph Courtney, a revised set of gravel pit rules and regulations was compiled.

Some five pages and 37 paragraphs of rules, regulations and references have only brought about the current confusing situation, in which citizens are compelled to demand of the Board of Selectmen that steps be taken to block a variance of zoning laws which may be given by the Board of Appeals to a gravel pit operator hopeful.

The final power of issuing a permit for such operations lies in the hands of the Board of Selectmen, but three of five votes constitute a majority.

IT IS THEIR DECISION TO MAKE !!!!!

### CHRISTMAS EMPLOYMENT

Applications are still being accepted at the Wilmington and North Wilmington Post Offices for Christmas employment. This employment will last for a period of about 10 days, and the pay will be \$1.82 per hour.

### ADULT EVENING CLASSES

Mr. Preble, the evening adult class advisor would like to advise the people of Wilmington that there are classes that can accept more enrollment.

These classes are as follows: fabric painting, decorated ware, bookkeeping, practical mathematics, Gregg shorthand, furniture re-finishing, woodworking, and blue print reading and drafting. If anyone is interested in any of these courses please contact Mr. Preble at the High School.

### UNION THANKSGIVING SERVICE AT THE BAPTIST CHURCH

On Thanksgiving mornings, November 27, at 8:30 a.m., the Annual Thanksgiving Service, sponsored by the Wilmington Council of Churches will be held in the Wilmington Baptist Church. Mr. Eliot Castillo, Pastor of the host church, will bring the morning message. The Senior Choir of the host church will provide special music and the pastors of the other churches in Wilmington will participate in the worship hour.

The service has been planned so that all young people and adults, who are planning to attend the annual community football game on the high school field, will have plenty of time to find their places before the game begins.

### WILMINGTON ROTARY MEETING

The weekly meeting of the Rotary Club was held last Wednesday, with President, Henry Foster in charge.

The salute to the flag was led by Ralph Swanson, Rev. Harding offering the invocation.

After luncheon the president called upon John Collins to lead the group in singing, accompanied by Roger Hayden. Fred D. Cain introduced the following visiting Rotarians: from Woburn, Joseph Cavichini, Al Hamilton, and Robert Jones, from Reading: Ray Cleary, and from Winchester: Henry Clark, and Ernie Dade.

John Nitchie informed the group that the club has had 8 straight 100% meetings. He thanked the group for their co-operation, and was sure that Wilmington was going to beat out the Stoneham club in attendance for a three month period. Rodney Buck reported that a profit of \$592 was realized from the recent horse show. This money is to be turned into the Rotary Student Loan Fund. Joe Babbitt, received an appreciative hand from the club for his efforts towards this horse show. The North Reading club has invited the local members to attend their meeting on next Wednesday Nov. 19. The president announced that a board of directors meeting would be held after the regular meeting, and that a special meeting would be held on Tuesday evening Nov. 18, at the office of Al Osterman. Ed Osberg introduced the speaker Brian Featherstone, a native of Kent, England, and attending Harvard College as a Rotary Foundation scholar. Mr. Featherstone has had a very interesting background, attending Oxford University, and also aiding the refugees fleeing from the recent Hungarian revolution.

He enlightened the club as to the procedure taken in selecting a student for this scholarship. His talk was very interesting, and was well received by the members. At the board of directors meeting held after the regular meeting, the amount of \$10.00 was voted to be donated to the Christmas seal drive.

At a recent meeting of the committee in charge of the Student Loan Fund, Alan Altman presented the articles of incorporation which were signed by the committee. A set of by-laws were drawn up by Mr. Altman, and reviewed by this committee.

Election of officers was held with the following results: Chairman, John Collins; Vice Chairman, Ed. Osberg; and Clerk Alan Altman. The committee consists of John Collins, Dr. MacDougall, Dr. Henry Foster, Alan Altman, Ed. Osberg, Richard Harding, and Henry Richard Harding, and Henry Foster. It is hoped to have this fund in operation very shortly, at which time many worthy students will be enabled to further their education.

### WILDWOOD PARENTS CLUB

The next regular meeting of the Wildwood Parents' Club will be held on November 24, at 8 p.m. It is most urgent that all members attend in order to properly discuss the proposed changes to the by-laws as announced at our last regular meeting.

The guest speaker will be our own Sgt. John Imbimo of the Wilmington Police Department, who has spent about 15 years in all phases of police work. Sgt. Imbimo will direct his talk to children's safety to and from school and after school. This is a subject that should be of interest to all parents, as it is most important to have the children supervised at these times.

The attendance banner will be awarded to the class having the largest number of parents in attendance at the meeting.

## HERE and THERE

### RUTH BOUDREAU, OL 8-2239

May we extend a warm welcome to Mr. & Mrs. Bruce Backe and family who are now living at 400 Woburn Street.

Also another good wish to Mrs. Backe's mother who is visiting from Ohio.

We hope you like our town and intend to make it your permanent home.

There will be a district and neighborhood chairman meeting of the Girl Scouts on Monday, Dec. 8, at the home of Mrs. Crowley on Longview Rd., No. Wilmington.

It is expected that all will try to attend.

There has been a new Brownie Troop formed at the Hathaway Acres district with Mrs. Robert and Mrs. Miller as leaders, and Mrs. Gunderson, and Mrs. Moore as assistants.

They have 14 girls in each troop, and intend to make this a most successful project.

These mothers from this section realized that something had to be done to keep these youngsters occupied and interested, so they themselves formed these troops and asked for guidance through the girl scout council.

It is absolutely necessary that more leaders volunteer. Leaders are needed in the brownie, intermediate, and senior groups.

If you have children in your neighborhood who are desirous to join the scouts, get together with other mothers and choose your leader.

Mrs. McCabe of the Brookside Kindergarten will hold open house between Thanksgiving and Christmas for the parents of her students.

Particulars will be announced later.

Sp4 William E. Busineau, and Sp1 Peter C. Medico, sons of Mr. & Mrs. Joseph Medico of Federal Street are enjoying the fact that they are stationed together in Lackey, Virginia.

Mr. & Mrs. Medico have four sons in the service, and the total years amount high, and this is the first time that two sons have been stationed together.

Both boys are in the same helicopter unit.

The Armistice Eve Record Hop sponsored by the Wilmington Youth Canteen Inc., was a tremendous success with 250 youngsters in attendance.

Four records were given away and cider and doughnuts were served to the hungry canteeners and guests.

The Canteen has a new emblem designed by one of their canteeners and made by Mr. Giglio. Thanks are sent to Mr. Giglio for his work in making the emblem.

The Canteen will be open Friday and Saturday nights of this week. Come and join in

the fun, and get to know the young people of your town.

The next monthly whist party of the Silver Lake Betterment Association will be held Monday night Nov. 24 at 8:45 p.m. in Betterment Hall on Main St.

Refreshments are to be served by the committee after which a penny sale will be held.

A gala Christmas Bazaar is being planned by St. Dorothy's parish for Friday and Saturday Dec. 5 and 6 in St. Dorothy's hall.

There will be a great variety of articles including handmade objects and Christmas novelties and the cake table promises many delectable desserts.

A special meeting took place Monday evening when the following committee heads met to further plans: Rev. Joseph W. Leahy, Honorary Chairman; Mrs. William Tattersall, General Chairman; Mrs. John Mackey, Mrs. Fredrick Reilly, Mrs. George Smith, Miss Christine Riley, Mrs. George Szadis, Mrs. Edward Sullivan, Mrs. Leo O'Connell, Mrs. Paul Lynch, Mrs. John Baldwin, Mrs. John F. Sullivan, Mrs. Alfred Fairbrother, Mrs. Anthony Harding, Mrs. Frank Mulholland, Also Mrs. George Boylan, Mrs. John McAndrew, Mrs. Daniel DiTommaso, Mrs. Walter Cunningham, Mrs. Mary Sottile, Mrs. Edward Brittingham, Mrs. John Hourihan, Miss Louise Moriarty and Mrs. Charles A. Baldwin, publicity.

Rev. Joseph Leahy, Rev. David Tyrell and Ernest Crispo, General Chairman of the turkey whist held for St. Dorothy's church building fund appreciate the fine cooperation given to them by the committee, parishioners, friends, relatives, the newspaper reporters and publicity chairman.

Winners on the book drawings were, Mrs. J. J. Hurley, Fort Lauderdale, Fla., P. Bannen, Cambridge, Dianne Hawkes, Tewksbury, Barbara Hoyt, Wilmington, Patrice Tyrell, Winthrop, Mrs. Anton Thiel, Wilmington, L. Ballageon, Lowell, Richard Montefucci, Tewksbury, Jerry Polcaro, Wilmington, B. Donahue and Helen Murphy.

Specials went to Mrs. Mary Sottile, William Hennessy and Mrs. Anton Thiel.

Don't forget the Legion whist to be held Thursday at the Legion Hall. Come and have an evening of fun, and at the same time help the needy. Also there will be a drawing in which 7 turkeys will be given away to the lucky name owners.

Refreshments will be served.

Command. Eugene Sullivan would like to remind all members of the Legion who have not paid their dues, to kindly mail checks to him if they can not attend a meeting to do so.

## Now is the time of year to remember old friendships

And the warmest way to "keep  
in touch" with family and friends  
far away is by telephone. Nothing  
is quite so real... quite so friendly  
... as the sound of your voice.

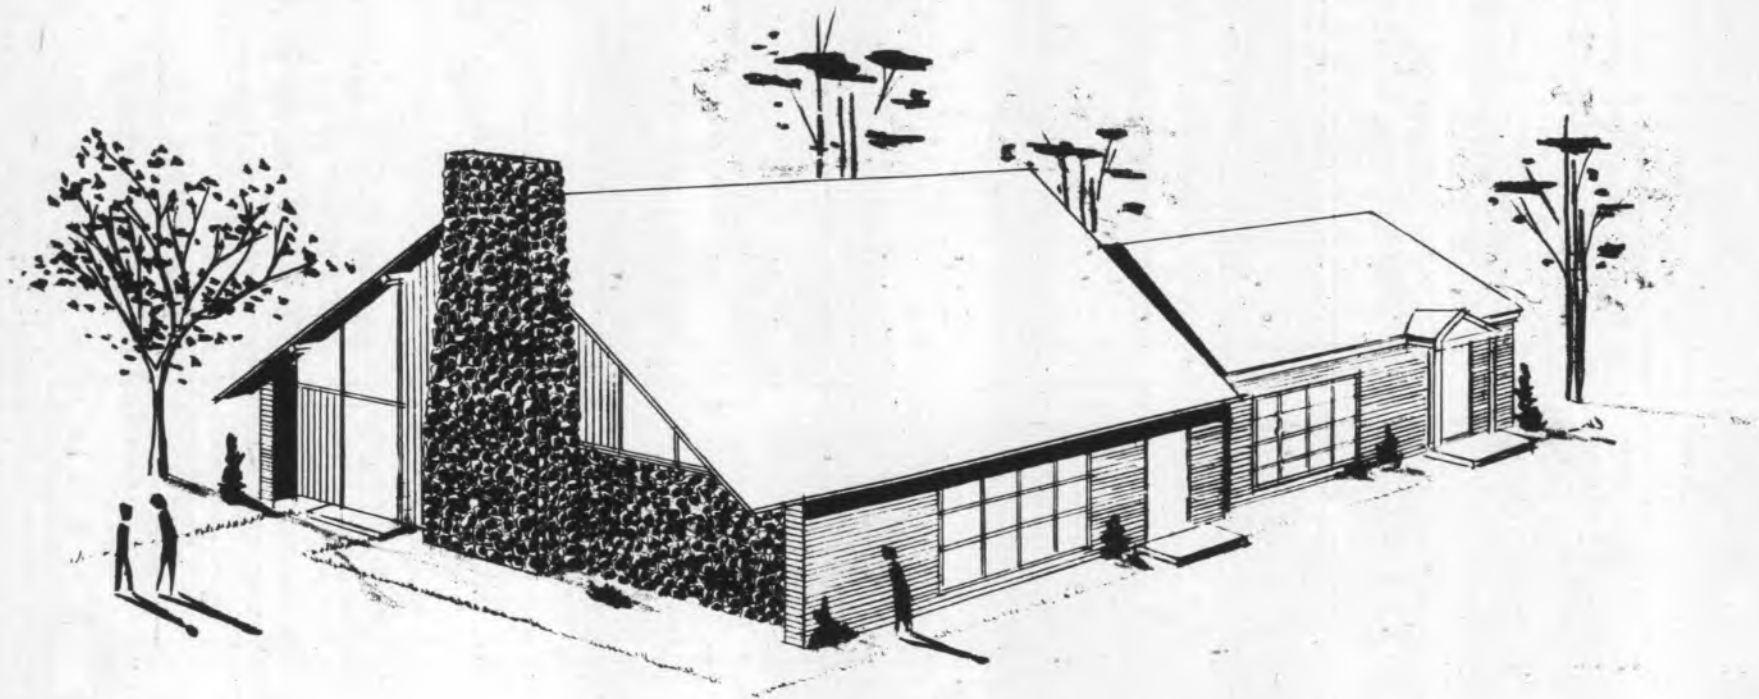

There's no need to wait for the

actual holidays to call. This is  
the holiday season. This time of  
year, every day is a good day to  
call old friends. Remember, long  
distance rates are especially low  
every night and on Sundays.

You can call coast-to-coast for \$2.00 or less for  
the first 3 minutes — station-to-station, nights  
and Sundays, excluding federal excise tax.

The Reverend Willard C. Arnold, District Superintendent of the Lynn District of the Methodist Church, will bring the morning message on Loyalty Sunday, November 23, at the 10:30 a.m. worship hour. Mr. Arnold, who has given excellent leadership on the District and has provided great help in the building of the new church will preach on the topic, 'The Church of Tomorrow.' During the worship hour, a group of new members will be received into the fellowship of the church by the Reverend Richard Hardins.

As this is the Annual Loyalty Sunday Service, each family has been extended an invitation to attend, and it is hoped that each family of the church will be in attendance or represented. The Church Loyalty Program will begin in the afternoon, when some seventy visitors will call in the homes of the parish concerning their stewardship responsibilities for the year 1959. Families have been asked wherever possible to remain at home on Sunday, in order that the caller may have an opportunity to visit with them.

Mr. Arthur Starr is shown above receiving a meritorious citation from Mr. Leo Lalley, Commander of the D.A.V. This honor was awarded to Mr. Starr last week at a testimonial dinner. Mrs. Lalley is shown seated.

Rock and Roll session held at the Tewksbury Town Hall for the Myasthenia Gravis Foundation last Friday evening.

## LEGAL NOTICES

### COMMONWEALTH OF MASSACHUSETTS Land Court

No. 28084 Misc.

(SEAL)

In Equity

To John Mallon, now or formerly of Cambridge in the County of Middlesex and said Commonwealth, or his heirs, devisees or legal representatives;

Greeting:

Whereas a suit in equity has been begun against you in our Land Court, by Robert L. Blanchard and Elizabeth G. Blanchard, of Billerica in said County of Middlesex:

We COMMAND YOU, if you intend to make any defense, that on the first Monday of January next, which Monday is the return day of this subpoena, or within such further time as the law allows, you do cause your written appearance to be entered and your written answer or other lawful pleading to be filed in the office of the recorder of said court at Boston in the County of Suffolk, and further that you defend against said suit according to law, if you intend to make any defense, and that you do and receive what the court shall order, adjudge and decree therein.

Hereof fail, at your peril, as otherwise said suit may be adjudged, and orders and decrees entered therein, in your absence.

The plaintiffs allege to be the owners of certain land on King St. in Wilmington in said County of Middlesex, and there appears in the chain of title affecting said property a mortgage given by Andrew W. Hammond to John Mallon, dated August 4, 1938 and recorded with Middlesex North District Deeds, in Book 916, Page 324; that said mortgage has been fully paid, but through mistake and misfortune no discharge has ever been delivered and recorded, and praying that the Court find they hold their title free and clear of the same.

And it appearing to the Court upon the suggestion of the plaintiffs that the whereabouts of the defendants are unknown and they cannot actually be served with process, it is ordered that notice be given by publishing a copy of this order once each week for three successive weeks in the Wilmington Crusader, a newspaper published in said Wilmington, the last publication to be one month at least before the said first Monday of January next.

Witness, JOHN E. FENTON, Judge of our Land Court, the twenty-eighth day of October in the year of our Lord one thousand nine hundred and fifty-eight.

## SELECTMEN'S MEETING

Last Mondays meeting of the Board of Selectmen proved to be a dull meeting.

Rene LaRivee appeared before the board with a petition signed by 23 residents in his area on Concord St., protesting the possibility of opening up a gravel pit on the Diaz property, and demanding the Board of Selectmen to do anything necessary to block the move.

Frank Hagerty, chairman, expordited that the Board of Appeals have the authority to allow such an operation in a restricted area. Should they grant the variance however, he stated, 'the final power of issuing the permit for the operation is in the hands of the Selectmen'. Mr. LaRivee left the brown room with the green door somewhat more encouraged, saying that if need be, the case will go to high courts.

Ed Curtis of Andover Road appeared with a contour plan of his and other property off Andover Road, requesting permission to be allowed to cut a road through his property in order to reach a gravel pit on his land that will be land locked by the new Route 125.

Mr. Curtis stated that the permit will allow him to engage in a clean up operation in the old gravel pit that is now on his property and to extend onto his property which will be north of Route 125, stating that the area will be land locked after the road is built.

Mr. Curtis was told that he would have to show on his map, the actual route of the road, and adhere to the size of the cuts into grade that will have to be made.

Don Kidder, and Nick DeFelice wanted more assurance that the road will not be 'a new gravel removal operation through virgin territory.' A \$10,000 bond is requested.

The permanent building committee entered Town Hall, at this time, and the Board of Selectmen retired to the Civil Defense room down in the basement to meet in private session with them.
